

Approved Listing Guarantee

Fifty States Network offer approved listings and guarantee to have checked the owner or manager of the rental listing by:

1. Writing personally to each owner/manager at the address provided when registering property on our network, and asking them to verify their listing via unique codes we send to them.
2. We check telephone numbers they provide against the address provided on registration.
3. To be accepted as an approved listing on our network, the owner/manager has to have an approved rental license from the state of origin of the rental property.
4. Fifty States Network check the rental licence against vacation home address.
